
UNIFIED ZONING ORDINANCE AMENDMENT #78

Nonconforming Mobile Homes in Clarks Hill

STAFF REPORT

Unified Zoning Ordinance Amendment #78 Nonconforming mobile homes in Clarks Hill

**Staff Report
September 12, 2013**

Currently the zoning ordinance does not permit mobile homes which are nonconforming uses (for example, located in an R1 zone) to be replaced with a larger mobile home. This basically holds true for all nonconformities: the use can be made smaller, but cannot be increased in cubic content.

The Town Board of Clarks Hill would like to amend this section of the UZO. There are no zoning districts in the town which permit mobile homes by right; therefore every mobile home within the town's boundaries is nonconforming. The amendment would allow these mobile homes which are currently located in Clarks Hill, to be replaced with a larger mobile home. The amendment, presented by Clarks Hill, would allow a bigger replacement "as long as the replacement mobile home is approved by a majority of the members of the Town Council prior to issuance of an Improvement Location Permit."

The Ordinance Committee, at its meeting on August 7th, voted to approve this amendment, but only for nonconforming mobile homes within Clarks Hill's jurisdiction.
